

“Building Best In Class Products with Best In Class People, Equipment and Systems”

October 4, 2011

Press Release for Immediate Consideration

“In a ceremony held on September 28th in Plymouth Michigan, Lakeside Plastics Limited in Oldcastle (Windsor) received their fourth consecutive Supplier Performance Award from Johnson Controls, Inc.

Lakeside was one of only 40 suppliers of over 550 worldwide who were honoured with this prestigious award.

175 of JCI’s top suppliers attended for the day along with Executive leadership from the Johnson Controls Automotive Experience division.

Glenn Coates, President and Chris Lozinski, Director of Finance, accepted the award on behalf of Lakeside. Coates gave credit to the dedicated team of Lakeside employees, and our Supplier partners that made the award possible.

Lakeside supplies moulded component assemblies and other injection moulded automotive parts to General Motors, Johnson Controls, Autoliv, TRW, and other automotive Customers.”
