## Supplier Diversity Business Development

### *Corporate Policy Statement*

It is the policy of Lakeside Plastics Limited to provide equal opportunity to certified minority and women owned businesses who consistently offer competitive pricing; world class quality products; and excellent delivery & service performance.

Lakeside Plastics Limited is committed to continuous improvement initiatives supporting our Supplier Diversity Program, as well as growing and developing our minority supplier base.

**Overall company coordination shall be the responsibility of the Supplier Diversity Business Development Specialist.**

A diverse supplier is defined as a company that is at least 51 percent minority owned, operated and controlled.

To be eligible for our Supplier Diversity Program, a company must be certified by one of the following councils:

- National Minority Supplier Development Council (NMSDC)
- Michigan Minority Business Development Council (MMBDC)
- Canadian Aboriginal and Minority Supplier Council (CAMSC)
- Women's Business Enterprise National Council (WBENC)

A handwritten signature in blue ink, appearing to read 'M. J. Smith', is positioned above the printed name of the President.
